DISTRIBUTION OF ASSETS

Consistent with Washington RCW 24.03 and Internal Revenue Code Subsection T, all debts and liabilities of this cooperative shall be paid first according to their respective priorities. The remaining assets shall be distributed in the following manner and order of preference: (1) outstanding membership loans; (2) second to the holders of Membership Units in an amount equal to the value of the consideration for which the Membership Units were issued, without priority and on a pro rata basis if necessary; (3) third to payment of the stated dollar amount of all Patrons' Equities (other than Non-Patronage Earnings Certificates), in chronological order of year beginning with the oldest outstanding Patrons' Equities first and on a pro rata basis within a year if necessary; (4) fourth to payment of the stated dollar amount of Non-Patronage Earnings Certificates, in chronological order of year beginning with the oldest outstanding Non-Patronage Earnings Certificates first and on a pro rata basis within a year if necessary; and (5) fifth to the patrons in accordance with their interest in Capital Reserves. Any assets remaining after the foregoing payments have been made shall be allocated among the allocation units in the manner as the Board of Directors, having taken into consideration the origin of the amounts, shall determine to be reasonable and equitable. Amounts so allocated shall be paid to current and former patrons of each such allocation unit in proportion to their patronage of the unit over the period as may be determined to be equitable and practicable by the Board of Directors. The obligation to distribute shall be construed as a preexisting duty to distribute any patronage sourced net gain realized in the winding up process to the maximum extent allowable by law.
